Chapter 7: Advanced Functions 95

Timing Functions 95

delay() 96

delayMicroseconds() 97

millis() 97

micros() 99

Random Functions 99

random() 100

randomSeed() 101

Project 6: Ambient Temps 102

Hooking It Up 103

Uploading the Source Code 105

Source Code Summary 106

Writing Functions 109

Declaring Functions 109

Calling Functions 110

Function Returns 110

Function Parameters 111

Project 7: HSB Color Mixer 112

Hooking It Up 113

Uploading the Source Code 114

Source Code Summary 115

Hardware Interrupts 117

attachInterrupt() 117

detachInterrupt() 118

Summary 119
