Chapter 2: Sketching in Code 17
What is Sketching in Code? 17
Project 1: RGB Blink 18
Hooking It Up 19
Uploading the Source Code 20
Source Code Summary 21
The Structure of Arduino C 21
Using Comments 22
Basic Functions 23
Statements and Syntax 24
Verifying and Uploading 26
Verifying 26
Saving 27
Uploading 28
Common Errors 29
Summary 31
Chapter 3: Working with Variables 33
Project 2: 7-Color Blink 33
Hooking It Up 33
Uploading the Source Code 34
Source Code Summary 35
What's a Variable? 36
Declaring Variables 37
Variable Names 37
Data Types 39
Variable Qualifiers 40
Predefined Constants 41
Variable Scope 41
