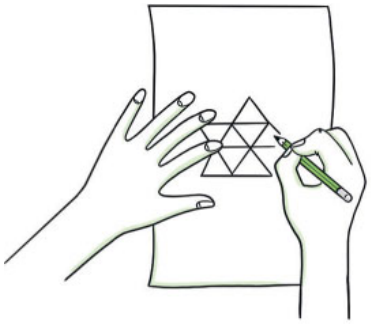
2 Write down your answers on some paper. If you’re playing against a friend, use one piece of paper each.

You can try this on your own, or challenge a friend to a race!

Test it!

3 Trace or carefully copy each shape onto cardboard, and cut it out (a cereal box will do). To see if a shape tessellates, draw around it onto paper, then draw more of them and see if you can make them fit together. (If it goes wrong, just start again.)



IT TAKES TWO!
