PAPER PEOPLE

Make a little row of people using just paper, a pencil, and scissors. Once you start, you can't stop! (Until you run out of paper, that is …)

This is fun on your own or in any size group.

What do you need?

- Plain paper
- Pencil
- Scissors

How to play

1 Cut a long strip of paper—but not TOO long, since you need to fold it up and cut through it. A good size is about 30–50 cm (12–20 in) long and 10 cm (4 in) high.
