MOONS AND STARS

This game is easy to play but can keep you entertained for hours! You can draw moons and stars, hearts and flowers, dogs and cats, or whatever else you like in the boxes.

What do you need?

- Paper
- Two pens or pencils in different shades (one for each player)

A game for two players.

How to play

1 First, draw a 6 x 6 grid of dots on paper (or it can be bigger if you like).
