about 1–2 m (3–6 ft) away, and you’re ready to roll!

How to play

5 To play, aim the tube at the target, and roll a ball down the tube toward it.

- Give yourself a number of shots, such as three or five, and try and get the highest possible total. Play on your own, or take turns with other players to see who can get the highest score.
- Choose a multiple of 5 between 15 and 100, and challenge the other players to get that exact score.

This can be played by any number of people.
