SHISIMA

This game from Kenya is like a combination of Tic-tac-toe and Pong Hau K’i.

This game is for two players.

What do you need?

- Paper
- Pencil
- Ruler
- Pen
- Six counters, three of one shade and three of another

Set it up

1 Shisima is played on an octagon-shaped board, with eight lines leading into the middle, where there is a small lake. It looks like this:
