MULTI-BUZZ

As you can probably tell, this game is similar to Buzz, but harder …

1 This time, you're not going to just do one times table, but you'll do two at once. For example, you could try the seven times table and the 10 times table.

2 The rules are the same as for Buzz, but you shout "BUZZ!" when the number is in the seven times table OR the 10 times table.
