
EITHER:

– Escape to the point of the triangle in your hideaway. However, the rebels win if they can block you in by taking up the three spots at the base of the triangle.

OR:

– Capture so many rebels that they can’t block you in.

Game science

You might think it’s pretty unfair that the general only has one piece, but because he can capture, it’s possible for him to win. Try playing and see what happens!
