SEQUENCE SPOTTER

The rules to this game are simple—spot the pattern in the sequence of numbers. Try solving these first, then create your own to challenge your friends.

Start counting out loud from one

… NOW!

Are you counting yet?

What did you say?

Was it:

1, 2, 3, 4, 5, 6, 7, 8, 9, 10 … and so on? Hope so!
