

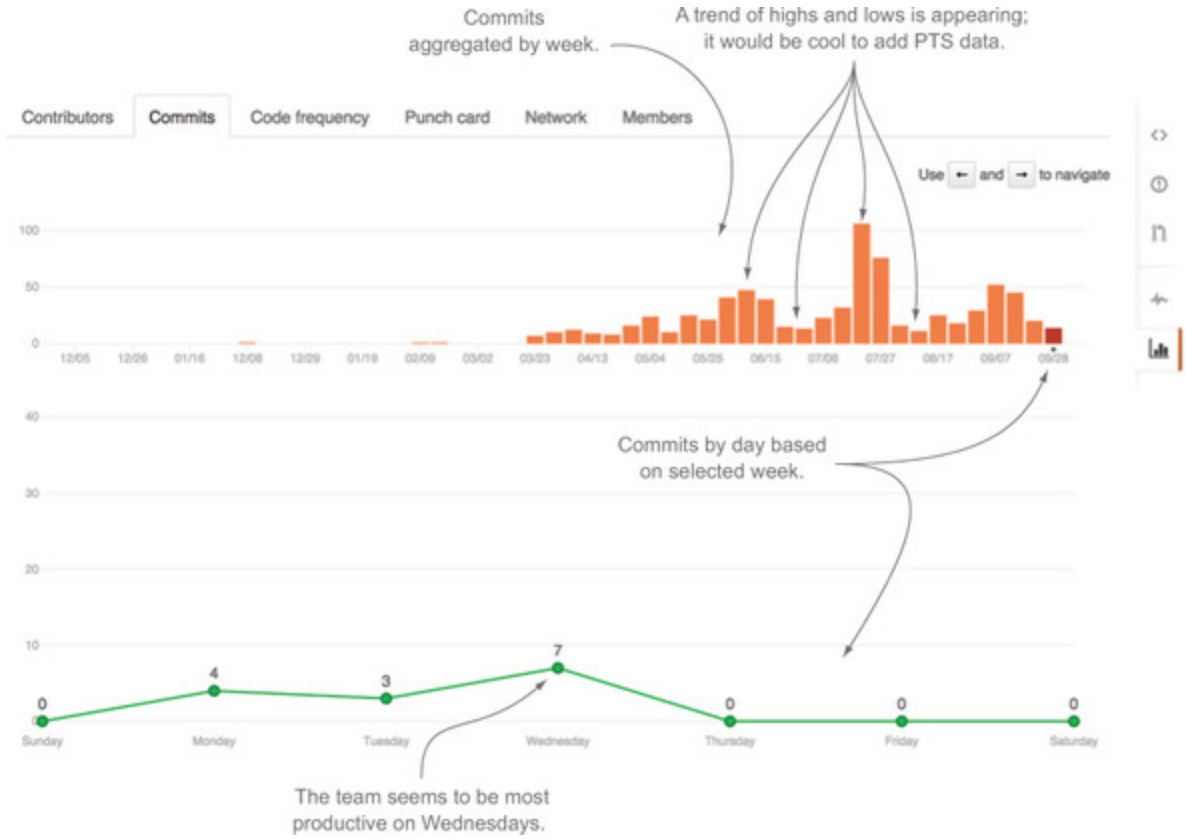

Figure 4.12 shows the number of commits. To get to CLOC, click the next tab: Code Frequency.

In figure 4.13 you can see the huge addition, which was the birth of this project in GitHub. After bit of intense CLOC, it normalizes somewhat.

Figure 4.13. The Code Frequency tab shows how much code is changing over time in CLOC. From GoCD (github.com/gocd/gocd/graphs/code-frequency).
