IMemoryCache extension methods 409
IMemoryCache service 409 – 412
IMiddleware interface 47 – 48, 196
IMiddlewareFactory interface 48
implicit dependency 192
implicit expressions 55
ImplicitUsings property 28
include attribute 398
Include method 225, 235, 239
Index PageModel class 235
IndexModel class 249, 397
IndexModel home page 257, 362
IndexModel OnGet method 263
IndexOf string method 388
Information log level 355
inject directive 53, 314
injection attacks 384 – 389
  cross-site scripting 387 – 389
  SQL injection 384 – 387
input model 127
input tag helper 154 – 164
  data annotation attributes for controlling presentation 160 – 161
   DataTypeAttribute attribute 160 – 161
   DisplayAttribute attribute 163 – 164
  formatting rendered date or time value 161 – 162
  input types 156 – 160
input validation 140
InputModel class 129, 131, 134, 274
INSERT statement 240
install-package command 215
int constraint 97
integrated development environments (IDEs) 13
Internet Information Services (IIS) 33, 392
Invoke method 45, 48, 406
Invoke/InvokeAsync method 48
InvokeAsync method 48, 206
IoC (inversion of control) 193
IOptions<TOptions> interface 403
IOutboundParameterTransformer interface 110
IpAddressMiddleware class 45
IPageConvention interface 102
IPageRouteModelConvention interface 101 – 102, 111
IPasswordHasher interface 381
IPriceService interface 203 – 205
IPropertyService interface 238, 248
IResult options 336
IRouteConstraint interface 99 – 100
IRouteConstraint method 100
IsAuthenticated property 257
IsDevelopment extension method 397
